

# **Article Sample Template**

**Name<sup>1</sup> & Name<sup>2</sup>**

**Designations with affiliations (Example: Qualification, name & Address of the college/University )**

**Mail Id of Corresponding author(s)**

- ✓ **Abstract : Should be short and within 150 words**
  - ✓ **A brief introduction**
  - ✓ **Body : This should be elaboration of whole content**
  - ✓ **Conclusion : A well defined conclusion should be given**
  - ✓ **References : Kindly refer below for examples**
- 
- The total length should not exceed 2000 words. However, in cases where additional clarity is needed, up to 2500 words may be accepted.
  - The title should be concise and clearly reflect the content of the article. Use 14-point bold Times New Roman font.
  - Author details, including full names and affiliations, should appear below the title in 12-point Times New Roman.
  - Define all abbreviations the first time they appear. Ensure that scientific names and technical terms are used correctly.
  - Tables, figures, and photographs must be relevant, clearly labeled, and properly placed within the text with appropriate captions.

## References

References to the literature cited in the article to be cited in the text. References must not exceed 05 -10 years old from publication and should be in APA style. Authors must correctly cite full references verifying that all text references are included in literature cited. Some examples are given here for citing the references following magazine's format:

1. Kumawat, K.R. and Sharma N.K. (2018). Cisgenesis: an executable approach in crop improvement. *Popular Kheti*, 6(1): 110-112.
2. Kumawat, K.R., Jakhar, M.L. and Kumar, R. (2020). Role of tissue culture in crop improvement. *Marumegh*, 5(2): 49-55.
3. Kumawat, K.R., Sharma, N.K., Sharma, A.K. and Gupta, P.C. (2020). Identifying drought-tolerant hybrids in pearl millet [*Pennisetum glaucum* (L.) R. Br.] using stress indices for arid and semi-arid areas. *Range Management and Agroforestry*, 41(2): 218-226.
4. Nadkarni, K.M. (2000). Indian Materia Medica. Edn 3, Vol. I, *Popular Prakashan*, Mumbai, 2000, 242-246.
